COMPANY
PROFILE

About US

AST is a highly successful entrepreneurial group with over 40 years of experience, proudly serving as a leading digital printing shop in Qatar. Our expertise spans across digital printing, graphic design, equipment leasing, drafting, and document management, catering to the needs of top architectural and engineering consultants, civil and MEPD contractors, and major power plant projects.

With a strong presence across all parts of the Qatar and an established footprint in Qatar, we operate through our dedicated branches and sister concerns, delivering quality and reliability consistently.

Our multidisciplinary team brings extensive experience and a commitment to excellence, ensuring our clients receive comprehensive guidance and cost-effective solutions tailored to their needs.

What sets us apart as a premier digital printing service in Qatar is our commitment to innovation. We continuously adopt the latest technology and utilize advanced, activity-specific machinery under the supervision of seasoned professionals, helping you get precisely what you need, well ahead of your deadlines.

Our Work Space

Welcome to AST, your trusted partner in bringing creative advertising solutions to life. Specializing in high-quality flex banners, business cards, billboards, and custom print materials, we aim to deliver visually stunning designs that help elevate your brand and captivate your audience.

With a passion for innovation and a commitment to excellence, we offer a comprehensive range of services tailored to meet the unique needs of businesses, both large and small. Whether you need eye-catching outdoor advertising, sleek corporate stationery, or event promotional materials, our skilled team of designers and

printing experts ensure every project is handled with precision and creativity.

At AST, we understand that the right advertising can make all the difference, and we work closely with you to craft solutions that reflect your brand identity and resonate with your target audience. We ensure every opportunity to leave a lasting impression.

3D FOIL AND 3D UV BUSINESS CARD

Printed on premium-quality card stock, 3D UV and 3D foiling business cards are perfect for highlighting the key elements of your brand identity. The raised UV coating and metallic foil finish add depth, shine, and a luxurious touch, enhancing both the visual appeal and the tactile feel of the card. Using cutting-edge printing techniques, each card is crafted with exceptional clarity and precision to make your design stand out. Whether it's your logo, company name, or special design elements, the 3D UV and foil effects create a striking, professional impression — making these cards an ideal choice for executives, creatives, luxury brands, or anyone looking to elevate their professional image.

EMBOSSSED BUSINESS CARDS

Create a strong, lasting impression with embossed business cards — a timeless and elegant choice that speaks to professionalism and attention to detail. This technique highlights essential design details by raising them above the card surface, adding both visual interest and a sense of premium craftsmanship.

BROCHURE AND BOOKLETS

We are the top printing group in Dubai, specializing in high-quality brochure and Booklets printing services. We offer a wide variety of options, including different folding styles, custom shapes, and various binding types to suit your needs. If you're looking for a premium brochure or booklets, our team is committed to delivering the highest quality and exceptional service.

EXECUTIVE NOTEBOOKS

We are the top printing group in Dubai, specializing in high-quality brochure printing services. We offer a wide variety of brochure options, including different folding styles, custom shapes, and various binding types to suit your needs. If you're looking for a premium brochure, our team is committed to delivering the highest quality and exceptional service.

DIARY AND CALENDARS

Printed on premium-quality materials, our customized diaries and calendars are designed to combine practicality with professional style. With high-quality printing and elegant finishing, they showcase your brand throughout the year while providing a useful tool for planning and organization. Perfect for corporate gifting, offices, and promotional branding.

STICKERS AND PREMIUM STICKERS

Designed to impress, our stickers with 3D foil effects bring a premium touch to any brand or product. These stickers combine eye-catching metallic foil—available in gold, silver, rose gold, red, green or holographic options with an embossed 3D finish that adds texture and visual depth. Ideal for luxury packaging, invitations, logo branding, or special edition products, they create a high-end look that captures attention and leaves a lasting impression. Perfect for businesses that want to stand out with elegance.

PROMOTIONAL AND GIFT ITEMS

In today's competitive market, standing out is essential. Custom promotional products are one of the most effective ways to enhance brand visibility, connect with your audience, and leave a memorable impression.

Whether you're preparing for a corporate event, trade show, employee appreciation campaign, or customer gifting, our curated range of promotional merchandise offers both practicality and professional appeal.

We provide a wide variety of promotional and gift items that can be customized with your brand logo and design, helping you promote your business in a unique and impactful way.

PACKAGING AND GIFT BOXES

Packaging is more than just protection — it is the first impression your product makes. Professionally designed and printed packaging helps showcase your brand, attract customers, and add value to your products. Whether for retail, e-commerce, or corporate gifting, the right packaging creates a strong and memorable brand experience.

We offer a wide range of custom packaging and box printing solutions designed to meet your product and branding requirements. With high-quality materials, precise printing, and premium finishing options, we ensure your packaging looks professional and stands out in the market.

PAPER BAGS

Premium paper bags are a stylish and eco-friendly packaging solution that enhances the presentation of your products while promoting your brand. With strong materials, elegant finishes, and custom printing options, these bags add a professional touch to retail purchases, corporate gifts, and event giveaways.

We offer high-quality premium paper bags in various sizes, designs, and finishes to match your branding needs.

From logo printing to special finishing options, our paper bags are designed to combine durability, functionality, and attractive presentation.

STAMPS

Add a touch of professionalism with our quality stamps. Perfect for your business, our stamps are designed for clarity, durability, and style, helping you make a lasting impression on every document.

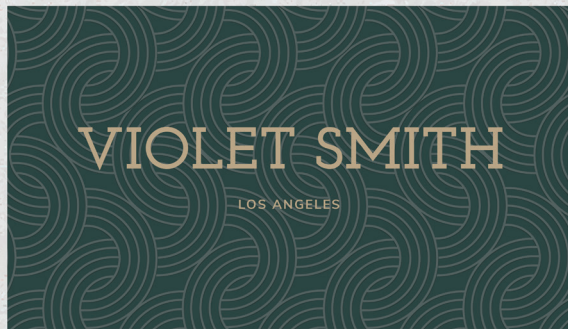

MARKETING COLLATERALS

We offer a wide range of high-quality marketing collateral printing designed to support your business promotions, corporate presentations, and events. With premium materials and precise printing, we ensure your marketing materials reflect your brand identity and make a lasting impression.

PREMIUM CERTIFICATES

Premium certificates are designed to recognize achievements, appreciation, and special milestones with elegance and professionalism. High-quality paper, precise printing, and premium finishing give certificates a distinguished look that reflects the value of the recognition being awarded.

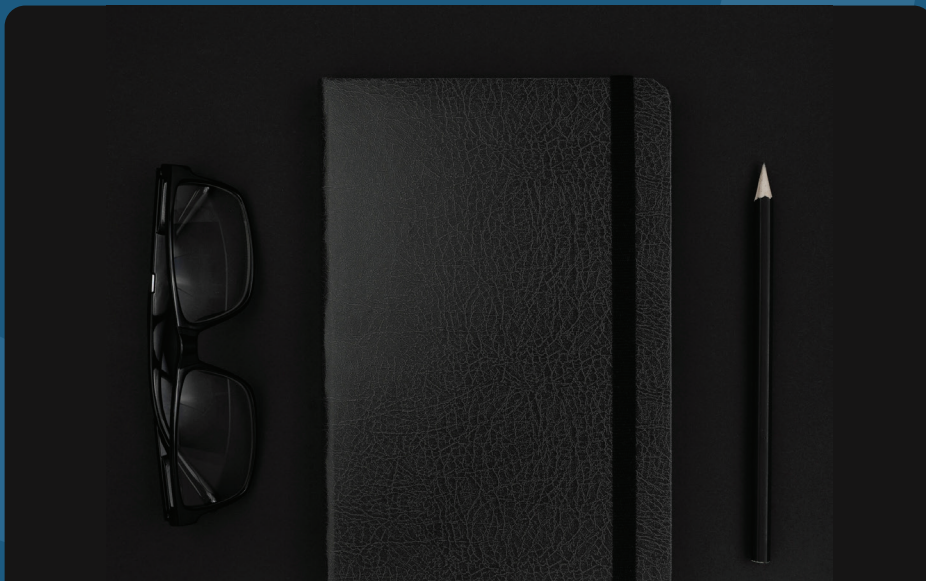

We provide customized premium certificate printing with various design options, materials, special effects and finishing styles to suit corporate events, educational institutions, training programs, and award ceremonies.
